About Our Institution

Founded in 2005, Fathima Memorial Training College, Mylapore, Kollam—affiliated to the University of Kerala and recognized by the NCTE, New Delhi and the Government of Kerala—has grown into a beacon of excellence in teacher education. Celebrating 20 illustrious years of academic distinction and dedicated service, the institution stands tall with a proven track record of producing highly competent and committed educators. Our students have consistently secured prestigious University positions, successfully cleared qualifying examinations such as KTET, SET, and NET, and earned coveted placements in esteemed educational institutions across Kerala and abroad. These milestones reflect our enduring commitment to nurturing transformative educators equipped with global perspectives, pedagogical expertise, and a passion for nation-building through education. At FMTC, we offer B.Ed. training in six core optional subjects: English, Malayalam, Mathematics, Natural Science, Social Science, and Physical Science—fostering a new generation of educators poised to lead and inspire.

About Our Founder

Dr. Janab Haji A. Younus Kunju, Ex. MLA, was a visionary, a philanthropist, a political leader, an able administrator, an industrialist and above all, a humanist. His tireless work had touched thousands of people through his charitable Fathima Memorial Educational Trust and the exemplary institutions under it. His contribution to the industry, education, politics, society etc. are tremendous and noteworthy. Fathima Memorial Training College, Mylapore, Kollam was established under his able leadership. He has been offered multifarious awards taking into account of his activities in different fields, including "Lifetime Achievement Award" for educational excellence on 6 June, 2009 from IEDRA, New Delhi for his outstanding contributions in the field of education.

Our Vision

Our vision is to mould an individual to be physically healthy, mentally balanced, emotionally stable, culturally rich, aesthetically refined, socially useful, morally upright, and spiritually strong by imparting quality education.

Our Mission

Our mission of teaching is not the acquisition of knowledge alone; it is to awaken curiosity, stimulate creativity, build up skills, and develop proper interests, attitudes, and values in student teachers.

Call for Papers

The International Seminar on "AI in Education: Shaping the Future of Teaching, Learning, and Research", organized by Fathima Memorial Training College, Mylapore & Pallimuk, Kollam (affiliated to the University of Kerala and recognized by NCTE, New Delhi), in collaboration with Sanskriti University, Mathura (UGC A+ with 12B and 2f status), Sanadhana, and Edulogic International Academic & Research, will be held from 28th to 30th July 2025 in hybrid mode. The seminar invites original and full-length scholarly papers for presentation and potential publication.

Theme

AI in Education: Shaping the Future of Teaching, Learning, and Resources.

About The Theme

This international seminar focuses on the evolving role of Artificial Intelligence (AI) in transforming education. As AI tools redefine classroom experiences, assessment models, and research methodologies, the seminar provides a platform for educators, technologists, researchers, and policy experts to collaborate, share research insights, and explore responsible innovations. Participants will gain insights into AI's potential to promote personalized learning, improve educational accessibility, enhance curriculum design, and support teacher professional development, while also addressing ethical concerns, equitable access, and the global policy shift toward AI-integrated education.
